about

Situated in South Africa, Môredou Taxidermy, owned by Hilgard Kotze who has taxidermy industry experience since 1992, specializes in high quality work, such as:

- Full mount trophies
- Shoulder mounts
- Skull mounts
- Rug mounts
- Skin soft tanning
- Leather tanning

All trophies are carefully mounted and sculptured on its premises. Trophies are also collected from outfitters across South Africa. Superior trophies are offered at very competitive prices.

Trophies are carefully crated and can be shipped worldwide. Logwin Logistics is utilized for all shipping.

All trophies are handled in accordance with the South African Veterinary Regulations.

All of the necessary documentation for the secure exportation of the trophies will be obtained.

The dipping and packing of trophies will also be handled.

After completion of the work an invoice with banking details will be sent. Payments via wire transfer are accepted.
